LIVESTOCK EXHIBITOR CODE OF CONDUCT

- The Lindsay Exhibition is committed to responsible animal care and treatment. This Code of Conduct outlines what is expected of livestock exhibitors in the handling and exhibiting of all animals involved with the LEX.
- This Code has been developed to meet the following objectives:
- To ensure the health and well being of all animals at the fair.
- To demonstrate an accurate and responsible animal care message to the public.
- To maintain the integrity of all livestock competitions, displays, and sales.
- Livestock and poultry must be transported to and from the LEX in accordance with all humane transport regulations and standards.
- Loading and unloading must be undertaken using proper equipment and procedures.
- All animals must be treated and handled in a responsible manner. The well being of the animals shall take precedence over the demands of owners, sellers, buyers, organizers, sponsors, and officials.
- The care of all animals must be as consistent as possible with their normal schedules and standards. High standards of nutrition, health, sanitation, environment and safety must be always met. All handling, housing and veterinary treatment must ensure adequate animal care.
- Livestock should be prepared with proper training, fitting and grooming prior to the LEX. Excessive disciplining of animals at the LEX is unacceptable.
- Exhibitors are expected to provide adequate training for anyone handling their livestock. Untrained individuals, including LEX personnel and visitors, should not be permitted to handle animals or equipment.
- Exhibitors should take every opportunity to enhance public awareness, education and appreciation of proper livestock management and handling practices.

There will be no tolerance for any mistreatment of animals. Any unacceptable exhibitor conduct will be subject to action including possible elimination from the competition(s) and/or exhibit, at the discretion of the Board of Directors of the Lindsay Agricultural Society.

CONCUSSION CODE OF CONDUCT

I will help prevent concussions by:

- wearing the proper equipment for my activity and wearing it correctly;
- developing my skills and strength so that I can participate to the best of my ability;
- respecting the rules of my activity; and,
- demonstrating my commitment to fair play and respect for all (including other Participants, LAS staff, volunteers, coaches, and officials).

I will care for my health and safety by taking concussions seriously, and I understand that:

- a concussion is a brain injury that can have both short-term and long-term effects;
- a blow to my head, face, or neck, or a blow to the body that causes the brain to move around inside the skull may cause a concussion;
- I don't need to lose consciousness to have had a concussion;
- I have a commitment to concussion recognition and reporting, including self-reporting of possible concussion and reporting to a designated person when an individual suspects that another individual may have sustained a concussion (meaning: If I think I might have a concussion I should stop participating in further training, practice or competition **immediately**, and I will tell an adult if I think another Participant has a concussion); and,
- continuing to participate in further training, practice or competition with a possible concussion increases my risk of more severe, longer lasting symptoms, and increases my risk of other injuries.

I will not hide concussion symptoms. I will speak up for myself and others.

- I will not hide my symptoms. I will tell an LAS staff person, volunteer, official, parent, or another adult I trust if I experience **any** symptoms of concussion;
- If someone else tells me about concussion symptoms or I see signs they might have a concussion, I will tell a LAS staff person, volunteer, official, parent, or another adult I trust so they can help;
- I understand that if I have a Suspected Concussion, I will be removed from activity and not be able to return to participating, training, practice, or competition until I undergo a medical assessment by on-site medical personnel, medical doctor or nurse practitioner and have been medically cleared to return to training, practice, or competition; and,
- I have a commitment to sharing any pertinent information regarding incidents of removal from activity with my school and any other activity organization with which I have registered (meaning: If I am diagnosed with a concussion, I understand that letting all of my other coaches, teachers, and employees know about my injury will help them support me while I recover).

I will take the time I need to recover, because it is important for my health.

- I understand my commitment to supporting the Concussion Protocol process and I will follow the LAS Protocol in returning to participate;
- I understand I will have to be medically cleared by a medical doctor or nurse practitioner before returning to the activity; and,
- I will respect LAS staff, volunteers, coaches, parents, health-care professionals, medical doctors, and nurse practitioners regarding my health and safety.

15. **COMPLAINTS:** Any complaint about errors in premiums must be reported to the General Manager before the close of the Exhibition to be considered. TED ENGLISH PREMIER HITCH EXHIBITOR MEMORIAL AWARD

In memory of Ted English, longtime Belgian Hitch Exhibitor.

For more than twenty years, Ted English of Sunderland, Ontario, proudly represented his beloved "Country Lane" Belgian Horses, competing successfully throughout North America. A respected horseman, Ted was known not only for his outstanding accomplishments—including multiple wins at the World Six Horse Hitch Championship at the Calgary Stampede and numerous victories in the North American Classic Six Horse Hitch series—but also for his unwavering passion for his horses, his sportsmanship, and his dedication to fellow exhibitors.

The Lindsay Agricultural Society is honoured to recognize Ted's lasting legacy through this memorial award.

KEITH HOBDEN MEMORIAL SIX HORSE HITCH AWARD

KEITH & JOYCE HOBDEN MEMORIAL SIX HORSE HITCH

For many years Keith & Joyce Hobden were major exhibitors of a Belgian Six Horse Hitch throughout Ontario working alongside their daughters Beth and Gail. The Hobden family moved to Lindsay from Brooklin Ontario in 1969 and soon established the Kawartha Livestock Exchange, a livestock sale barn that would quickly become a major player in the Ontario livestock industry. Although Keith's competitive efforts would eventually shift to pulling horses, the Lindsay Agricultural Society would like to remember and honour the significant successes and contributions he made to the show horse industry and the standards he helped set towards how horses are presented in the show ring today. Champion of class #2012 will be awarded the Keith Hobden Memorial All Breed Six Horse Hitch Award. A Perpetual plaque will remain at the fair office.

A smaller take-home plaque of similar design will be presented to the winner.

CARRIAGE DRIVING DERBY

CARRIAGE DRIVING DERBY - DIVISION 22

- **SHOW DATE:** 1:00 PM on Wednesday, September 23, 2026.
- **ADMINISTRATION FEE:** \$10.00 plus Gate fee.
- **PRIZE MONEY:** \$1,000 will be shared equally between participants.
- **RIBBONS:** 1st through 5th place.
- **LOCATION:** HORSE RING (A)

General Rules:

1. A round is run as a timed competition with penalties converted to seconds. Your best run determines placings and the lowest time wins.
2. If there is a change in the course route/design between rounds, a minimum of a 15-minute course walk is allowed. If the change in course between rounds is only a change in track width, an additional course walk is not required.
3. Ties will be broken by the fewest penalty points, a drive-off, or may remain at management discretion.

Starting Order: The starting order of the first round is determined by the Organizing Committee (OC) or by random selection.

Turnout: Additional restrictions or variations may be made at the discretion of the OC.

Carriage: Marathon-type carriage with iron or solid-rubber tires is encouraged. There are no required weights or track widths.

Harness: Bridle must have noseband. No type of check or auxiliary reins is allowed. Breeching is required for all single turnouts and for any vehicle without brakes.

Safety: All Athletes and groom(s) must wear securely fitted and fastened protective headgear which meets ASTM/SEI standards for equestrian use. Body protectors are recommended.

Groom(s): a. Singles, pairs and tandems: One groom required at all times except single VSE and single Small Pony. b. Unicorns and four-in-hands: Two grooms at all times except VSE, which only requires one groom.

Shorts: Shorts are not permitted. A penalty of 10 seconds will be added to the score for each person on the carriage wearing shorts. At ADS-recognized events, non-permitted "shorts" are defined as clothing that does not cover the legs to the ankles.

Whips: a. Whips must be of suitable length to reach the shoulder of the farthest horse and be carried at all times by the driver while the carriage is in motion. b. If the whip is dropped, the driver or groom can retrieve a spare whip or the carriage must be stopped so a groom may dismount and retrieve the whip. In the case of drivers without a groom, the whip can be restored to the driver by an outside party. The penalty is the time lost. c. Excessive use of the whip anywhere anytime will result in disqualification of the Athlete from the event.

The Competition Course: The course consists of common Start/Finish markers and two marathon-type obstacles with up to 12 compulsory gates (cones) per division. Each obstacle is numbered numerically, with gates in marathon obstacles noted by a letter (e.g., 3A, 3B, 3C, 3D). The course will be open for inspection prior to competition.

Penalties:

- a. Each element dislodged - 5 penalties
- b. Putting down a whip in the obstacle - 5 penalties
- c. Correcting a course in an obstacle - 20 penalties
- d. Failing to correct a course in an obstacle - Elimination
- e. Failing to pass through entry or exit flags - Elimination

If wire wheels are being used, please inspect prior to show for inflation and spoke balance.

Organizing Committee (OC) reserves the right to group divisions if required.
